Freshen up with beautiful natural light

Step into an aura of serenity with the Philips myBathroom Cool ceiling light and let its comforting white light relax you. With Cool's high quality LED light through a synthetic diffuser, your skin colour will be shown as nature intended.

Designed for your bathroom

- True skin colour with high-quality light
- IP44, perfectly suited for your bathroom

Sustainable light solutions

- High quality LED light
- Energy saving
- Warm white light
- Long operating life of up to 15 years

PHILIPS

Highlights

True skin colour

This Philips bathroom light makes colours reflect in a natural and accurate way, just the way the sun would do.

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP44 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for the bathroom.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

Specifications

Design and finishing

- Material: metal, synthetics
- Colour: white

Product dimensions and weight

- Height: 7.8 cm
- Length: 35.2 cm
- Width: 35.2 cm
- Net weight: 1.950 kg

Technical specifications

- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 3
- Wattage bulb included: 3 W
- Light colour: warm white
- Lamp lifetime up to: 15,000 hrs
- Total lumen output fixture: 800 lm
- Fixture dimmable: No
- LED

- Built-in LED
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: II - double insulated
- Light source equivalent to traditional bulb of: 26 W

Service

- Warranty: 2 year(s)

Packaging dimensions and weight

- Height: 38.8 cm
- Length: 38.3 cm
- Width: 9.3 cm
- Weight: 2.205 kg

Miscellaneous

- Especially designed for: Bathroom
- Style: Contemporary
- Type: Ceiling light

Issue date 2014-08-14

Version: 2.0.1
