Accent your home with light

This Philips SmartSpot Galileo LED recessed spot is perfect for accent lighting. Discreet and minimalist in design, it blends in with your ceiling, while the directional high-tech LEDs produce plenty of warm white energy-saving light.

Sustainable light solutions

- High quality LED light
- Energy saving
- Warm white light
- The perfect light beam for accent lighting
- Long operating life of up to 15 years

Special characteristics

- Adjustable spot head

PHILIPS

Recessed spot light
GALILEO matt chrome, LED

Highlights

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Accent lighting

This Philips spot light has the perfect light beam for accent lighting. With bundled light you can emphasise any detail or feature in your interior.

Adjustable spot head

Direct the light where you want it most by simply adjusting, rotating or tilting the spot head of the lamp.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

Specifications

Design and finishing

- Material: aluminium
- Colour: matt chrome

Extra feature/accessory incl.

- LED integrated
- Defined light beams
- Adjustable spot head

Product dimensions and weight

- Length: 9.1 cm
- Width: 9.1 cm
- Net weight: 0.170 kg
- Recessed distance: 3.9 cm
- Cut out length: 7.4 cm
- Cut out width: 7.4 cm

Technical specifications

- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 3 W
- Light colour: warm white
- Lamp lifetime up to: 15,000 hrs
- Beam angle: 50°
- Total lumen output fixture: 170 lm
- Fixture dimmable: No
- LED
- Built-in LED
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: III — safe extra low voltage
- Light source equivalent to traditional bulb of: 35 W

Service

- Warranty: 2 year(s)

Packaging dimensions and weight

- Height: 14.3 cm
- Length: 11.8 cm
- Width: 8.3 cm
- Weight: 0.240 kg

Miscellaneous

- Especially designed for: Living Room and Bedroom
