Highlights

For kids

This Philips and Disney light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favorite Disney character. This light is designed to be safe for your child.

Cool to touch

This light is completely safe for children, because it is made of child-friendly materials and uses LED light, which is always cool to touch.

Durable and drop proof

This light is durable and drop proof, without sharp edges and made out of durable material.

Making sure your kids will have imaginative moments without any worries.

Soft ambiance creation

This portable table lamp is compact and can easily be placed next to the bed or on a desk, to create a magical ambiance.

High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your kids room.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cozy

light, while those with a higher Kelvin value produce a cool, more energizing light. This light offers warm white light for a cozy atmosphere.

On/off switch on article

With the button discreetly integrated on the fixture, you can easily switch the light on and off.

Automatic switch off

The table lamp will automatically switch off after 15 minutes to save battery lifetime.

Battery operated - 3 x AA

This light works on 3 AA batteries. All batteries of this size will work. Do not mix different types of batteries; always use the same type. The batteries are not included in the box.
