

CoreLine Highbay

BY120Z G3 MB

Generation 3 - Mounting bracket

Following the successful introduction of the CoreLine Highbay in 2013, the upgrade to a new generation further improves the total cost of ownership and provides optionally DALI dimming for even further savings. Designed as a replacement for HPI 250/400 W luminaires, CoreLine High-bay G3 offers customers all the benefits of LED lighting – fresh light quality, longer service lifetime, reduced energy consumption and less maintenance – from a trusted manufacturer. At the same time, it delivers clear benefits for the installer too. The luminaire can be installed on the existing grid. Electrical connection is straightforward: there is no need to open the luminaire for installation or servicing. And being smaller and lighter than conventional luminaires, it is very easy to handle.

Product data

• General Information

Material	Steel
Suspension accessories	Mounting bracket
Accessory color	Gray
Product family code	BY120Z

• Product Data

Full product code	871016330148800
-------------------	-----------------

Order product name	BY120Z G3 MB
EAN/UPC - Product	8710163301488
Order code	911401505731
Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	6
Material Nr. (12NC)	911401505731
Net Weight (Piece)	1.300 kg
